

Table of Contents

<i>Acknowledgements</i>	vii
<i>Foreword</i>	1
<i>Chapter I - The Body Count</i>	7
The Unintended Consequences of Well-Intentioned Training.....	8
<i>Chapter II - The Psychological Aspects of Lethal Force Encounters</i>	13
Reconciling the Necessity for Killing	14
Just War Doctrine.....	15
Overcoming Psychological Barriers.....	22
Point Shooting vs. Sighted Fire	31
Weaver vs. Isosceles	32
Fear	34
The “Choke” Phenomenon	36
Physiological Effects of Lethal Force Encounters.....	36
Stress Recognition.....	38
Elevated Heart Rate.....	38
Hormones Get Dumped into the Bloodstream	41
Visual Narrowing	41
Perceptual Distortion.....	42
Dominant Response Takes Over.....	42
Neurological Effects of Stress	43
Conclusions Regarding Acute Stress and Survival Stress	43
Rules of Engagement	52
Justification to Use Lethal Force vs. the Necessity to Use Lethal Force	70
Spontaneous, Deliberate Lethal Force, and Reactive Lethal Force.....	72
Immediate vs. Imminent.....	72
Unclear Force Policies	75
Conclusion.....	102
<i>Chapter III - Safety Rituals of Reality Based Training</i>	107
Introduction	108
You Don’t Know What You Don’t Know	109
Simple vs. Easy	109
The Lethality of Experience	110
The Inexperienced	110
The Unlucky	110
The Highly Experienced	110
Section One – Teaching Styles	118
Training vs. Education.....	118
Effective Teaching Styles	119
Self-Education	119
Self-Training.....	120
Coaching.....	121

Theoretical Coaching.....	121
Practical Coaching	122
Testing	123
Theoretical Testing	124
Practical Testing	124
Static Testing	124
Dynamic Testing.....	124
High-Level Scenarios	124
Training <i>to</i> Failure vs. Training <i>for</i> Failure	125
Dangerous Teaching Styles	127
Uncontrolled Experimentation.....	127
Uneducated Practice.....	128
Play, Disrespectful Participation, or Frivolous Activity	129
Unsupervised and/or Unorganized/Disorganized Role Play.....	129
Unqualified Coaching	129
Compressed Training – Cutting Corners.....	130
Honor System or Lax Safety Protocol.....	132
Student Overload.....	132
Conclusion.....	132
Section Two – Safety Guidelines.....	132
Four Basic Safety Rules.....	133
Ten Additional Safety Guidelines for Reality Based Training	134
Explanations of the Ten Additional Safety Guidelines for Reality Based Training.....	135
Conclusion.....	147
Section Three – Additional Safety Considerations	147
Weapon Categories	147
Hot Weapons	148
Cold Weapons	148
Inert Weapons.....	149
NLT Weapons	150
Blank-Firing Weapons	150
A Word About Color Coding	152
Conclusion.....	155
The Controversy Behind Physical Searches	155
Safety Inspection Systemization.....	156
Incorrect Reasoning Leading to Poor Safety Inspections.....	158
A Female Cannot Be Physically Searched by a Male or <i>Vice Versa</i>	159
A Thorough Safety Inspection is Intrusive and Disrespectful.....	159
Some Trainers are Personally Uncomfortable Performing Physical Searches	162
Any Member of the Training Staff is Able to Perform a Safety Inspection	162
Insufficient Time to Perform Thorough Safety Inspections	163
Thorough Safety Inspections Take Too Much Time	163
Conclusion.....	164
Safety Inspection Levels.....	164
Peer Inspections (Triple Check Concept).....	164
Primary Safety Inspection.....	165

Secondary Safety Inspection.....	170
Vehicle Inspection Safety Guidelines.....	170
Dealing with Absences from a Secured Area.....	171
Outprocessing at the Conclusion of a Training Session	176
Special Considerations for Safety Inspections.....	177
Individual Practice.....	177
Dry Practice	178
Dry Practice Checklist.....	180
Complex Scenario Safety Considerations	181
Section Four – Job Descriptions and Task Lists.....	183
Safety Officer Job Description and Task List.....	183
Exercise Controller Job Description and Task List	185
Role Player Job Description and Task List.....	187
Conclusion.....	189
Chapter IV - The Mechanics of Reality Based Training	191
How Training is Currently Done vs. a More Effective Way.....	198
Projectile Based Training Considerations.....	203
The Dangers of Projectile-Based Live Target Engagement	203
The Usefulness of Pain Penalties.....	204
The Usefulness of Marks During Live Target Engagement	205
The Necessity for Identical Equipment Manipulation.....	208
A New Way of Thinking About Training	208
Old Training Philosophy	209
New Training Philosophy	210
The Building Blocks of Reality Based Training.....	211
Tidying Up Sloppy Departmental Policy.....	216
Play “What if?” in Training and Fix Problems Before They Occur in Real Situations	217
Professionals Have Pre-Conditioned Responses to Stressful Events.....	218
Use Realistic Props and Training Versions of Equipment	218
Firearm.....	219
Chemical Agent.....	219
Impact Weapons	220
Handcuffs.....	220
TASER®s	221
Radio.....	221
Miscellaneous Items.....	222
Role Player Props	222
Use Realistic Settings	223
Use Realistic Situations	224
Teach From the Simple to the Complex to Ensure Competency	226
Stop “Killing” Your Students In Training	230
The Problem with Negative Reinforcement Training.....	233
Natural Conclusions to a Scenario	234
The Intervention Guidelines	239
The Intervention Points During a Scenario.....	241
Unnatural Pause.....	241
Goofy Loop.....	242
Meltdowns	242

Physiological Meltdown.....	242
Psychological/Emotional Meltdown.....	243
Caught Between a “Rock” and a Hard Place	243
Technological Meltdown.....	245
The Intervention Questions.....	246
Unnatural Conclusions to a Scenario.....	247
Safety Hazards	248
The Role Player Has Departed from the Script.....	248
The Student Has Taken the Scenario in a Non-Productive Direction	249
Debrief, Remediation, and After Action Review.....	250
Scenario	251
Debrief	251
Immediate Remediation	257
After Action Review	258
Conclusion.....	259

Chapter V - Scenario Development..... 261

Introduction	263
Section One – Scenario Design.....	264
Over-Complicated Scenarios.....	266
Over-Simplification of the Role Player Guidelines.....	266
Scenario Development Forms	267
Scenario Outline Worksheet	268
Evaluation Sheet.....	269
Section Two – Role Player Preparation.....	274
Role Player Character Development	274
Role Player Criminal History	275
Role Player Guidelines	276
It is a Role Player’s Job to Lose	279
Officer Action/Role Player Response.....	280
Deliberate Actions and Activities	281
Specific Phrases to be Used to Self, Others or Police.....	281
Tony Blauer’s Role Player Rules™	281
Conclusion.....	282
Section Three - Logistics.....	282
Site Considerations	283
Site Location.....	283
Permission to Use Property and Indemnification.....	283
Notification of Training Event.....	283
Scenario Specific Logistics.....	284
Safety Officer Checklist.....	284
Primary Equipment Checklist.....	285
Site Security Checklist	285
Equipment Inspection Checklist	285
Primary Personnel Safety Protocol Checklist	286

Student Arrival Protocol Checklist.....	286
End of Training Protocol Checklist.....	286
Section Three – Final Thoughts.....	288
Establishing and Maintaining Trust.....	288
Learning How to Learn.....	289
Conclusion.....	289
Chapter VI - Training Ammunition.....	301
Dangerous Terms.....	303
“Simms,” “Simmunitions” – Potentially Confusing and Dangerous Terms.....	304
Reduced Energy Cartridge (REC).....	305
Less Lethal Ammunition.....	305
Sub-Lethal Training Ammunition.....	306
Ammunition Categories.....	306
Conventional Ammunition (CA).....	306
Lethal Training Ammunition (LTA).....	306
Extended Range Impact Ammunition (ERIA).....	307
Unhardened Structure Target Ammunition (USTA).....	307
Non-Lethal Training Ammunition (NLTA).....	308
Blank Training Ammunition (BTA).....	309
Inert Training Ammunition (ITA).....	309
Unknown Generic Ammunition (UGA).....	309
Sub-Categories of Training Ammunition.....	311
Reduced Range.....	311
Frangible Ammunition.....	312
Non-Toxic Ammunition.....	314
Other Technologies.....	315
Conclusion.....	315
Chapter VII - Final Thoughts.....	317
Chapter VIII - The Speaker for the Dead.....	321
Recommended Reading List.....	339
